CANADA SOCCER TOYOTA NATIONAL CHAMPIONSHIPS 2022-2023 REQUEST FOR PROPOSAL

PART 1- OVERVIEW

1.1 INTRODUCTION

As of February 7, 2020, Canada Soccer is now accepting proposals from Canadian communities to host the 2022 and 2023 Canada Soccer National Championships. These events will be organised and executed by Canada Soccer in collaboration with the Local Organising Committee (LOC) as established by the successful bidding applicant.

Each year, the Canada Soccer National Championships (herein referred to as National Championships) are held simultaneously in three host cities across the country, identified by three age groups:

- **U-15 Cup:** Under 15 male and female National Championship
- **U-17 Cup:** Under 17 male and female National Championship
- **Challenge and Jubilee Trophy:** Senior men's and women's National Championship

As the National Championships are event properties owned by Canada Soccer, the Association oversees all aspects of planning and implementation of these events and will, by written agreement, delegate aspects of the organisation and execution of the event to the LOC. In addition to this, the LOC will be responsible for hosting, as outlined in this RFP, the teams, officials and Canada Soccer delegates from arrival to departure. The LOC will also be responsible for providing the competition and training fields that meet the minimum hosting requirements, and will also take on, with the support of Canada Soccer, the local responsibility of promotion and community engagement. The LOC will be required to assume the financial responsibilities for hosting the National Championship.

The successful bid will demonstrate the ability to stage national sporting events in a cost-effective manner with a focus on excellence in the following areas: participant experience, facility and event management/operations, spectator potential, as well as community engagement, local sponsorship and human resource provision.

Canada Soccer, as the rights holder, retains and controls all commercial inventory for the National Championships. These rights, which include but are not limited to, audiovisual and radio recording, reproduction and broadcasts, multimedia, sponsorship, marketing and promotional activity. However, it should be noted that LOC marketing, promotional and revenue opportunities exist (see section 2.11).

The opportunity to bid is open to all Canadian communities. Canada Soccer strongly encourages bidding communities to obtain the support of the Provincial or Territorial Soccer Association, City, and/or Local Soccer Club. The final site selection for the National Championships will be managed by Canada Soccer's Competition Selection Committee. Successful bid applicants will

be awarded one of the National Championship Competition age categories by the Canada Soccer Competitions Committee.

SOCCER HOSTING OBJECTIVES**

Building on the success of Canada Soccer's proven hosting ability (most recently FIFA Women's U-20 World Cup Canada 2014 and the FIFA Women's World Cup Canada 2015™) Canada Soccer wishes to continue to engage stakeholders and partners in bringing the highest level amateur soccer to Provinces/Territories and Municipalities from coast to coast. In doing so Canada Soccer's objectives are to:

- Determine the national champions in the respective age categories
- Provide an outstanding competitive opportunity and environment for players and coaches
- Offer match officials the ability to excel at the national level
- Promote soccer across the country
- Raise the profile of the National Championships to a major sporting event
- Ensure an enjoyable experience for all participants
- Provide professional development opportunities and leave a legacy for host communities wishing to stage national competitions
- Attract spectators to the competition
- Achieve maximum visibility and exposure through broadcast and media for the competition, the sport and the host community

1.3 NATIONAL CHAMPIONSHIPS

DESCRIPTION OF THE EVENT

As Canada Soccer's largest national event featuring clubs from coast-to-coast, the National Championships have served as the nation's premier amateur soccer competition for more than 100 years, with the men's competition inaugurated in 1913 and the women's competition inaugurated in 1982. At all age levels, the National Championships provide a meaningful 6-day soccer competition experience for host cities and participating teams, as well as the players, coaches, support staff, officials, and volunteers.

In 2017, the National Championships youth competitions were reorganized into two age categories: the U-15 Cup and U-17 Cup for both boys and girls soccer. Previous editions featured U-14, U-16, U-18 competitions for youth, however combining the age groups better reflects Canada Soccer's Long Term Player Development (LTPD) model. Canada Soccer's National Championships youth competitions feature some of the country's bright young talents. The National Championships are competitions owned and managed by Canada Soccer which take place annually on the Thanksgiving long weekend in October and consist of the following

CANADA SOCCER TOYOTA NATIONAL CHAMPIONSHIPS 2022-2023 REQUEST FOR PROPOSAL

competitions: U-15 Cup; U-17 Cup; Challenge Trophy and Jubilee Trophy. The 6-day competition starts on the Wednesday and goes through to the Monday. In 2022, the competition will be held October 5-10 inclusively. In 2023, the competition will be held October 4-9 inclusively.

All National Championships are open to one (1) representative team of each Provincial and Territorial Soccer Association in Membership subject to Regional preliminary qualifying series as may be determined by Canada Soccer and provided for in the Competition Regulations. For reference an electronic copy of the 2019 Competition Regulations can be found at https://www.canadasoccer.com/files/2019Final_Regulations_for_National_Regional_Championships.pdf

Separate hosts are required for each age category of the national competition. Each respective competition features Provincial and Territorial club winners from across the country who, through a series of qualification, have earned the right to be declared the Provincial or Territorial Champion. Approximately 500 athletes plus 40-60 officials and event staff are involved in each competition. Out of town numbers vary depending on the age category. Traditionally the youth competitions attract parents and siblings whereas the senior competitions are focused on a club event.

ECONOMIC IMPACT STUDY

Economic impact number can be studied based off of the following:

The 2019 National Championships featured:

- ✓ 62 teams across all 3 competitions
- ✓ 151 matches played
- ✓ 98 matches broadcasted
- ✓ 1550 of athletes/team staff participated
- ✓ 136 match officials

It must be noted that there may be costs associated with some of these approaches to care.

Access to the competition site(s) and fields of play by emergency medical service personnel and ambulances, must be predetermined and shared with the medical services together with the correct address and match-day schedules.
